- Except for Permit No., all portions of this form shall be completed by the applicant. Stamped signatures will **not** be accepted.
- Except as provided by law, where electric work has been started prior to obtaining a permit, the regular fee therefore shall be doubled.
- An electrical permit shall expire if work is not commenced within 60 days or if work is abandoned for 120 days.
- It is the responsibility of the permittee to call for all inspections---Phone: 283-4925.
- Permits are nontransferable--all work shall be performed by permittee or his employee.
- No electrical work shall be concealed or covered until approved by the inspector. Work that is not tagged with an approval shall be considered unapproved. **ALL WORK MUST BE INSPECTED.**
- The permittee is expected to be knowledgeable of the Electrical Code--any questions should be resolved **prior** to installation.
