* Must be signed by a licensed plumber or authorized signer if the excavation is in conjunction with a plumbing permit

Right-of-way Obstruction / Excavation Requirements

- Facility Owners shall have a current license, lease, or franchise with the City of Des Moines.
- Contractors or Facility Owners doing work with their own crews shall have a valid Performance & Maintenance Bond and Insurance on file with the City of Des Moines.
- Plumbers shall have a current Plumbing Contractor License and Certificate of Liability Insurance.

Indemnification

INDEMNIFICATION (HOLD HARMLESS) PROVISION: To the fullest extent permitted by law, the permittee agrees to defend, pay on behalf of, indemnify, and hold harmless the City of Des Moines, Iowa, its elected and appointed officials, employees and volunteers and others working on behalf of the City of Des Moines, Iowa against any and all claims, demands, suits, or loss, including any and all outlay and expense connected therewith, and for any damages which may be asserted, claimed or recovered against or from the City of Des Moines, Iowa, its elected and appointed officials, employees, volunteers or others working on behalf of the City of Moines, Iowa, by reason of personal injury, including bodily injury or death, and property damages, including loss or use thereof, which arises out of the use of City of Des Moines, Iowa right-of-way or any work and/or services performed by the permittee pursuant to the provisions of the permit.

It is the intention of the parties that the City of Des Moines, Iowa, its elected and appointed officials, employees, volunteers or others working on behalf of the City of Des Moines, Iowa shall not be liable or in any way responsible for injury, damage, liability, loss or expense incurred by the permittee, its officers, employees, subcontractors, and others affiliated with the permittee due to accidents, mishaps, misconduct, negligence or injuries either in person or property resulting from the use of City of Des Moines, Iowa right-of-way or any work and/or services performed by the permittee pursuant to the provisions of the permit.

Right-of-way Permit Fee Worksheet

Excavation Permit

Fee Component/Permit	Fee	Sq. Ft.	Work Period *	Sum	Basis
Administrative	\$20.00			\$20.00	per permit
Disruptive cost component (Per square foot of the actual area obstructed and type of street. Street closure means the actual obstruction of the whole street block.)	\$0.20	x	x	=	Principal Arterial
	\$0.15	x	x	=	Minor Arterial
	\$0.10	x	x	=	Collector
	\$0.05	x	x	=	Residential
Inspection cost component (per square foot of excavated area . Minimum 100 square feet per permit. Inspection fee is \$0.00 if inspection and /or restoration is done by the City Public Works Department.)	\$0.35	x		=	
Sidewalk and/or drive approach inspection. (Waived with street excavation when restoration is performed at the same time.)	\$35.00	x	# of inspections	=	
Total:				_____	

Obstruction Permit

Fee Component/Permit	Fee	Sq. Ft.	Work Period *	Sum	Basis
Administrative	\$20.00			\$20.00	per permit
Disruptive cost component (Per square foot of the actual area obstructed and type of street. Street closure means the actual obstruction of the whole street block.)	\$0.20	x	x	=	Principal Arterial
	\$0.15	x	x	=	Minor Arterial
